

ARCHDIOCESE OF DENVER
**Catholic Funeral
& Cemetery Services**

Expanded Grief Program

CFCS Colorado is pleased to announce that we are expanding our grief program to provide specialized support for specific groups with varying needs. We will be hosting a class and support group for each of the following groups:

- Individuals who experienced the death of a loved one by suicide
- Parents who experienced the loss of an adult child
- Parents who experienced the loss of a young child (born or unborn)

These sessions will be held on the third Wednesday of each month at 6 p.m. according to the following schedule:

LOSS BY SUICIDE April 17, July 17, October 16

ADULT CHILD May 15, August 21, November 20

YOUNG CHILD June 19, September 18, December 18

Each class and support group will virtually meet over Zoom.

Attendees will also be invited to be part of a smaller support group following each session. These sessions will meet virtually as well.

Both the classes and the small groups are offered **free of charge**.
